Broken/Damaged/Defective Purchase List

We accept all types of cell phones

The phones listed on this pricelist are subject to physical inspection and testing. While our goal is to provide as much value for your phones as we can, units that are beyond economical repair will not be paid for. Phones that have been physically opened or have been parted or are not complete handsets will not be available for broken/damaged/defective pricing. Prices are subject to change and specific models may be added or deleted from the pricelist without notification.
